IMPRESS® Hardware Selection Guide

Intermec PM43

The Intermec PM43 is designed for higher-volume label printing. The standard Ethernet connection allows this printer to be shared by multiple PCs. The all-metal design will hold up to heavy use and prolong the life of your printer investment. A touch screen LCD provides easy configuration.

Dimensions: 19.04x11.5x11.9 in

Note: The PM43 is a replacement for the Intermec PM4i models. Label items are identical for PM43 / PM4i.
